PHOTO COLLAGE GUIDELINES FOR YOUR PHOTO PLACEHOLDER SETS

Thank you for purchasing one of our Photo Placeholder sets.

We created this support resource to help you prepare certain collage-style photo sizes before printing, especially if your photo app, home printer, or favorite photo-printing service does not already offer the size you need.

For the easiest walk through, we recommend watching the short video first.

Watch the Canva Template Video

1 Access Your Template

1. Choose Your Canva Template
2. Open the file and **click the Canva access link**
3. You'll be redirected to Canva

If prompted, log in or sign up for a free Canva account

Click on the template that matches the size you plan to print below.

- 4x6 Photo Collage Template
- 6x4 Photo Collage Template
- 5x7 Photo Collage Template
- 7x5 Photo Collage Template

How to Use the Canva Templates

- ✓ Open the Template (linked above)
- ✓ Upload Your Photos
- ✓ Add Your Photos
- ✓ Adjust the Crop
- ✓ Download Your Finished Collage as a JPG
- ✓ Print and Trim
- ✓ Add To Your Scrapbooking Page

Need a Refresher? Visit the Photo Placeholder Sets in the Shop

These Canva templates are optional. You do not need them to use your Photo Placeholder sets. They are simply here as an extra support tool if you want a simple drag-and-drop way to create photo collages before printing.

We hope this resource helps you plan your photos with more confidence and enjoy using your Photo Placeholder set in your Play-to-Create® process.
